The True Story of Frost Wooly – The Snow Sheep of Siberia

In the remote mountains of Siberia, Russia, lives a rare snow sheep scientifically known as **Ovis novicola**. To zoologists, it is simply a hardy species capable of surviving brutal temperatures of **-50°C**, but to the local people, it has long stood as a symbol of **hope and resilience**.

For centuries, Siberian natives believed that when blizzards turned the land into a white abyss, the sight of the snow sheep meant **salvation**. With its thick, shining white wool glowing under the moonlight, the sheep seemed to guide lost wanderers back to safety.

This legendary **Frost Wooly** never bowed to the endless winter. It endured, patiently awaiting the return of spring and new life.

The real story of **Ovis novicola** inspired the birth of **Froly**. Like the Siberian snow sheep, Froly represents **endurance through the crypto winter**. When the market freezes, Froly stands firm. And when dawn breaks, it charges forward into the green pastures of prosperity—just like the long-awaited **altseason** that always follows the storm.

✦ Thus, Froly is more than just a token. It is a living legacy drawn from a true story of the natural world—reminding us that patience and resilience will always lead to brighter days.

1. Introduction

- ✓ FROLY is a community-driven meme coin that blends fun, utility, and real value. With a fixed supply of 1,000,000,000 tokens, FROLY is built to be fair, scarce, and the next iconic global meme coin.

2. Vision & Mission

Vision:

- ✓ To establish FROLY as the next iconic global meme coin — driven by unstoppable creativity, fueled by community strength, and recognized as a symbol of trust and innovation in the meme economy.

Mission:

- ✓ **Empower a global community** of loyal and creative supporters.
- ✓ **Deliver real utility** through DeFi, NFTs, and MemeFi.
- ✓ **Champion fairness & transparency** with a liquidity-driven token model.

3. Tokenomics

Total Supply: 1,000,000,000 \$FROLY

Liquidity Pool	90%
Ecosystem Growth	5%
Community Rewards (Meme Contest)	5%

NO HAVE TEAM, ONLY FOR ECOSYSTEM GROWTH AND COMUNITY
